*2020 Annual Report*

# CELEBRATE PHILANTHROPY

## Message from our Executive Director

Needless to say, 2020 was not the year we had expected it to be. As we flipped our calendars into a new decade, there was hope for what the new Roaring 20's would bring. Ideas for our Annual Reception were being molded around the iconic black and gold themes of the Great Gatsby era. We were excited to share a new event: Schuylkill Gives, through in-person registration, on site visits, live broadcasts from participant locations, and sharing the successes from around the county. We also looked forward to the amazing nonprofit programs and projects that we were about to fund.

Then. Everything. Changed.

Our vocabulary changed to words like: Zoom, Teams, pivot, social distancing, physical distancing, quarantine, worldwide pandemic, masks, and hand sanitizer.

Everything that we had done or had planned needed to be reevaluated for the health and safety of our community and world. However, one thing did not change, and by most accounts it came to the forefront of our thoughts and discussions: Philanthropy.

As needs arose, our community responded in the best way that it knew how – to support our neighbors, friends, businesses, and nonprofits who serve those around us. Schuylkill Gives, even though planned prior to the pandemic, came at a time when most nonprofits were also shifting their fundraising from in person events to an online format.

Contributions to Schuylkill Area Community Foundation funds also continued to grow. We worked with donors to create 3 new funds and our portfolio grew to \$32,301,847.84 in managed assets – reflecting a 10 % growth from 2019.

As we continue to reflect on the year 2020 and look forward to the coming years through a new lens, we thank you for continuing to support our community through contributions, funds, scholarships, graduation awards, and grants.

Stay well,

*Amanda Campbell*

# ESTABLISHING A FUND

Schuylkill Area Community Foundation continues to become an increasingly important source of funding to enhance the quality of life for Schuylkill County. The Foundation offers donors - individuals, families, businesses and nonprofit organizations - the flexibility and expertise needed to help them determine which type of fund best matches their interests and will achieve their philanthropic goal.

## *Types of Funds to Consider*

### **Designated Funds**

#### ONGOING SUPPORT

Donors may create a fund at the Foundation to benefit a specific organization or to establish an education award. In the event the specified organization ceases to exist, the Foundation is able to adjust the distribution to insure the fund carries out its original purpose and intent.

### **Scholarship Funds**

#### EDUCATIONAL SUPPORT

Donors may create scholarships to support students who are graduating from a particular school, attending a particular school, or studying a specific field. Each scholarship is unique and is accomplishing the criteria set forth by the donor.

### **Field of Interest Funds**

#### TARGET SPECIFIC ISSUES

Field of Interest Funds provide donors the opportunity to support particular areas of interest that reach many organizations. The Foundation distributes earnings to the most appropriate programs within the areas of arts and culture, education, environment, health and wellness, and human services.

### **Unrestricted Funds**

#### PROACTIVE AND RESPONSIVE

Unrestricted Funds provide the Foundation with the greatest flexibility to meet the most pressing and ever changing needs and opportunities within our community.

### **Donor Advised Funds**

#### INVOLVED ANNUAL GIVING

Through Donor Advised Funds, a donor can have an active hand in his or her charitable giving by having the right to recommend annually to the Foundation which organizations should be supported by the fund. Grants are then made, in the name of the fund, to qualified charities.

## *Methods of Giving*

### **Bequests**

A charitable bequest is the most common form of planned giving and it provides important estate tax advantages. Donors will continue their charitable legacies for years to come by including a gift in their will to continue to support the causes or organizations that are important to them. SACF has recommended legal language for all types of charitable bequests.

### **Cash**

Cash is the easiest way to contribute. Donors who make gifts of cash are eligible for a charitable deduction in the year the gift was made.

### **Retirement Plans and Life Insurance**

Donors can use assets held in an individual retirement account (IRA), 401(k), 403(b), or a similar account to start a fund at the Community Foundation at the time of their death. These accounts, while very attractive to defer tax during lifetime, are the most heavily taxed assets in an estate at death.

### **Appreciated Stock**

Stocks may be donated to the Community Foundation as a charitable gift. Donors are eligible for a tax deduction for the fair market value of the stock and can avoid a capital gains tax.

### **Charitable IRA Opportunity**

Donors who are age 70-1/2 and older are able to make donations to charity from their IRA without needing to claim that distribution as income. To transfer a gift from your IRA, contact your IRA administrator directly. This provision does NOT allow transfers to Donor Advised Funds.

Give Locally.

**Schuylkill • Gives**

## The Community Foundation's First "Giving Day"

Schuylkill Area Community Foundation learned about Giving Days during a conference for Pennsylvania Community Foundations. The inaugural Schuylkill Gives, a purely online 24-hour giving day, was held on Thursday, May 14, 2020. The planning for this event began prior to any mentions of COVID 19, quarantine, office closures, or ZOOM, but the event came at the perfect time to support the nonprofits who serve our Schuylkill County community.

Together, 667 donors raised \$67,962 in 24 hours! During the day, participating nonprofits were eligible to win additional prizes sponsored by Mid Penn Bank, during the lunch time Power Hour, and Carnegie Investment Council, for the most unique donors for the entire day.

Donors were also provided an option to Tip the Host, or donate to the Friends of the Schuylkill Area Community Foundation Fund, which annually provides unrestricted grant money to our community nonprofits.

## IN MEMORIAM

*Frank J. Staudenmeier*  
1950-2020

*Frank served on the Board of Directors of Schuylkill Area Community Foundation from July 1, 1993 to February 29, 2020.*

*Frank acted as mentor and shared his knowledge of the work of the charitable foundation with all members of the Board of Directors and staff, served as a member of the Ashland Committee and expended considerable*

*time to assure the Mothers Memorial and Ashland Parks were well maintained. He also served on the SACF Budget Committee for many years, lending his business expertise to this committee, and always served with no expectation of recognition for his efforts.*

*We are so thankful that Frank was a member of the SACF for over 27 years, and the residents of the*

*Ashland area and all of Schuylkill County have enjoyed, and in the future will continue to enjoy, the benefits and results of his unselfish service.*

## *New Funds*

### **Andrew and Laretta Olinick Memorial Scholarship Fund**

This scholarship fund has been established to honor Andrew and Laretta Olinick, who believed that additional education and work skills were needed after graduating from high school. Hardworking and honest by example, they were devoted to their family, community, and church. They would always encourage one toward excellence, to be thoughtful and diligent in all things, and to pursue greater knowledge through a college or trade school education.

Andrew and Laretta (Miller) Olinick graduated from the former Porter Township High School in 1937. After serving in the Navy during WWII, and then using the G.I. Bill, Andrew attended the county vo-tech school. Laretta attended and graduated from business college immediately after high school.

This scholarship fund seeks to help a graduating senior of the Williams Valley School District obtain the higher education and additional skills needed for a career that will enable that senior to have a successful and fulfilling life.

### **Eleanor Wasley Chaikowsky Academic Award**

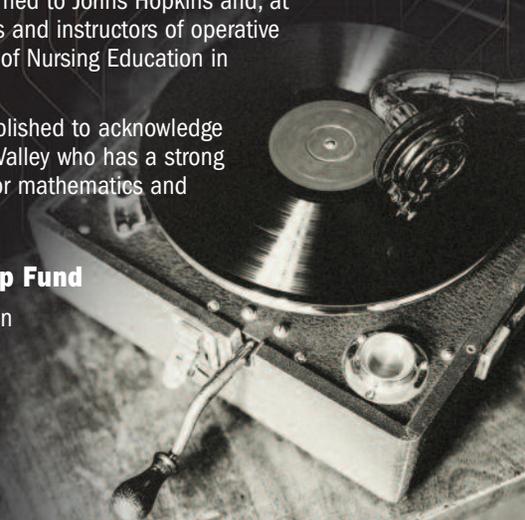

Eleanor Wasley dreamed of becoming a research scientist. However, although she graduated from J. W. Cooper High School in Shenandoah with the highest grade point average in the 1938 Winter Class, she was deprived of the opportunity to attend college in a scientific field. Women at that time were often denied access to scientific institutions, or to certain majors in universities.

As an alternative, Eleanor attended Johns Hopkins Hospital School of Nursing, graduating in 1942. She quickly became a head nurse of Johns Hopkins general operating rooms, but World War II inspired her to resign her position and enlist in the Army Nurse Corps. Commissioned as a First Lieutenant, she became supervisor of surgery at Schofield Barracks Army Hospital, Hawaii. After the war, Eleanor returned to Johns Hopkins and, at age 26, became one of the hospital's youngest supervisors and instructors of operative technique. She later attended Catholic University's School of Nursing Education in Washington, D.C.

The Eleanor Wasley Chaikowsky Academic Award was established to acknowledge a female member of the graduating class of Shenandoah Valley who has a strong aptitude and interest in science, technology, engineering, or mathematics and plans to further her education in this field.

### **Philip and Josephine Rosenkrantz Scholarship Fund**

This fund provides a graduation award to a Schuylkill Haven Area School District graduating senior who plans to major in business at a college or university.

## Covid Pledge

2020 grant applications had already been submitted for the 2020 grant cycle prior to March 1, and SACF therefore recognized that many of the programs and projects of our nonprofits would be unable to be executed as planned.

As a member of the Council on Foundations, Schuylkill Area Community Foundation proudly signed the PHILANTHROPY'S COMMITMENT DURING COVID-19 Pledge.

Along with 804 of our foundation partners, WE PLEDGED TO:

- ✓ Loosen or eliminate the restrictions on current grants. This can include: converting project-based grants to unrestricted support; accelerating payment schedules; and not holding grantees responsible if conferences, events, and other project deliverables must be postponed or canceled.
- ✓ Make new grants as unrestricted as possible, so nonprofit partners have maximum flexibility to respond to this crisis. We will also support organizations created and led by the communities most affected that we may not fund currently.
- ✓ Reduce what we ask of our nonprofit partners, postponing reporting requirements, site visits, and other demands on their time during this challenging period.
- ✓ Contribute to community-based emergency response funds and other efforts to address the health and economic impact on those most affected by this pandemic.
- ✓ Communicate proactively and regularly about our decision-making and response to provide helpful information while not asking more of grantee partners.
- ✓ Commit to listening to our partners and especially to those communities least heard, lifting up their voices and experiences to inform public discourse and our own decision-making so we can act on their feedback. We recognize that the best solutions to the manifold crises caused by COVID-19 are not found within foundations.
- ✓ Support, as appropriate, grantee partners advocating for important public policy changes to fight the pandemic and deliver an equitable and just emergency response for all. This may include its economic impact on workers, such as expanded paid sick leave; increasing civic participation; access to affordable health care; and expanded income and rental assistance. It should also include lending our voices to calls to action led by grantee partners, at their direction and request.
- ✓ Learn from these emergency practices and share what they teach us about effective partnership and philanthropic support, so we may consider adjusting our practices more fundamentally in the future, in more stable times, based on all we learn.

### Financial Report prepared by Jones & Co.

#### Investment & Spending Policies

The investment objective of your Community Foundation is to build funds that will meet the community's needs today and continue funding opportunities for generations to come. The Foundation's investment and spending policies are designed to preserve the inflation-adjusted spending power of its funds.

We utilize a "Total Return" approach to guide our investing and base our spending policy on a four-year average payout. This approach has enabled the Investment Committee and Board of Directors to fund the many grants and scholarships we have provided the community.

We expect to meet the future needs of the community by staying focused on our long-term objectives of the fund.
